FRUIT DEPARTMENT**APPLES, Budded Trees, 2 years old****STATEMENT OF INSPECTION FOR TRUENESS-TO-NAME, 1927**

To whom it may concern:

Amherst, Mass., July 25, 1927.

I have examined for trueness-to-name the salable apple stock now growing in the nurseries of Jackson & Perkins Company, Newark, N. Y., and I now declare that to the best of my knowledge and belief these trees are true to variety name as they stand in the nursery row.

(Signed) A. P. FRENCH.
